Graphics are great! A lot of detailed information! The glossy pages are helpful.

Written for cyclists of all stripes, Best Bike Rides books offer a diverse array of scenic tours in and around some of America's largest urban destinations. Road rides, rail rides, bike paths, and single-track mountain bike rides all get included. Most rides are in the 5 to 30 mile range, allowing for great afternoon outings and family adventures. Each book features 35 to 40 rides with color photos, maps, point-by-point miles and directions, and GPS coordinates of starting and finishing points.
