Michael Duncanson : Best Canoe Trails of Southern Wisconsin before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best Canoe Trails of Southern Wisconsin:

0 of 0 people found the following review helpful. Just what I was looking for. By Nancy Kelli haven't read the whole book yet, but probably will during the winter months while planning for next summers kayaking. It appears to be exactly what I was looking for.

Great detailed guide, has stain on rear cover, very nice inside and front cover
