6 of 6 people found the following review helpful. Great resource!By Jessica ToddWhat a great book! Color pictures and maps that are easy to read and all the info you need to set out on a hike. After trying to use the Internet to find some new hikes I finally just bought this book and I am so glad I did. Has all the info you need nearest town, length and difficulty, elevation gain, trail surface and trail tips. The maps are the best I have not been able to find anything

like this. Highly recommend to all hikers.3 of 3 people found the following review helpful. Five StarsBy MIMAGives a very thorough description of the features of the hike. Usefully and helps generate camping/hiking ideas.0 of 0 people found the following review helpful. Good read. Good trails.By CustomerGreat book for CA hikes for your dog. Go in summer or bundle up in winter as West coast gets windy and cold. Accurate and easy to find areas with God help.

This guidebook reveals the 51 best hiking trails in northern California that are dog friendly. Throughout are full-color maps and photos, helpful tips and sidebars, and tailored hike specs for leash requirements. Also included is information about dog packing and preparation before you hit the trail. The area covers northern California to the Oregon border, with the southernmost part including Big Sur and east across to Bishop, CA.
