RegionBy Nick H. This is a great compact guide for quick day hikes around New Yorks Capital Region. The book is 5 years old, but most of the information is still accurate. I have found some minor issues in the directions, but nothing that has got me lost. 1 of 1 people found the following review helpful. Good ReferenceBy H'OscarA good selection of hikes - would have liked a better map and address for directions. But the explanations were good and the hikes were enjoyable. 1 of 1 people found the following review helpful. Small book.By Robert McChesneyIt is everything it said it is. The book is sturdy and the information is complete; how to get to trail heads, what to expect, authority over the trail and contact information, map. distance, best time to go, etc.
