and Central Oregon (Best Easy Day Hikes Series):

4 of 4 people found the following review helpful. Short and SweetBy Avid ReaderVery concise little book. As the title says, these are all "easy" hikes. I spent a week in Bend to secure a place to live before moving, and this book fit the bill perfectly given my limited time for hiking on the trip. Each hike gets a page or two at the most - very concise - and it took me less than an hour to skim the whole thing and pick a couple hikes I liked the best. Clear directions on the trail, and just as importantly, clear on how to GET to the trailhead. Good value for the 10 bucks I paid. 0 of 0 people found the following review helpful. I recently used it to plan all our day tripping on a recent getaway. Good details and maps. I bought another for the Portland area as well. Recommend.
