Ron Adkison : Best Easy Day Hikes Grand Staircase--Escalante and the Glen Canyon Region (Best Easy Day Hikes Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best

Easy Day Hikes Grand Staircase--Escalante and the Glen Canyon Region (Best Easy Day Hikes Series):

2 of 2 people found the following review helpful. Informative and Helpful to the GS-E Day Hiker By Wayne A. Smith Really good and helpful listing of hiking and adventures available to the day hiker in Grand Staircase - Escalante. My son and I just returned from a trip to Southern Utah and this book was invaluable in planning our itinerary. The hiking descriptions are thorough and useful in terms of informing the reader of access, difficulty, duration and elevation gain of trails. I had no problem finding the trail heads in this vast and remote national monument thanks to this book. It is also slim enough to easily carry in your backpack. 4 of 4 people found the following review helpful. Great addition By Desert Traveler After previewing this book, I knew I had to have it. I drove past some of the areas outlined in this book July 2013 on the way to Natural Bridges and didn't even know it. Yes, it was hot, but I chose that time of the year on purpose. Now I'm going back this year. This is not the definitive book of the area, the author states the route maps are not intended to replace other maps like Trails Illustrated. I find the sections describing the trails, where to find the trailheads, difficulty, etc. extremely helpful. It's a great addition to the Trails Illustrated map to Grand Gulch and Google Earth on line. Now I know where to find the House on Fire. If you want a simplified explanation of hiking this area, this is the book to get, but don't forget other maps. 0 of 0 people found the following review helpful. Handy pocket guide with a wide range of trails. By CesJA handy pocket guide with rated hikes for easy to difficult. There were enough easy and more challenging choices to keep me happy. The directions to get to the trail heads were clear and concise, as were the descriptions of what we expected to see. I recommend this book.

Twenty-four hikes in southern Utah.

From the Back Cover Best Easy Day Hikes Grand Staircase Escalante and the Glen Canyon Region includes concise descriptions and detailed maps for nineteen easy day hikes in Cedar Mesa, the Escalante canyons, and the Grand Staircase Paria Canyon region of southern Utah. This updated edition guides you to trails and canyoneering routes that lead to arches, gorges, mesas, and desert valleys.
