Some of these hikes are not what I would call easy day hikes. Try the Ellis Peak hike and see what you think.
However the Echo Lakes hike was great.

There are many more trails and hikes around the lake Tahoe area, but this short book made our week stay in Tahoe fantastic! We hiked three of the trails in the book and enjoyed every minute!

Hikes varying from half-hour strolls to full-day adventures, this guidebook is for everyone, including families.
