Susan Finch : Best Easy Day Hikes Long Island (Best Easy Day Hikes Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best Easy Day Hikes Long Island (Best Easy Day Hikes Series):

0 of 0 people found the following review helpful. Great book for Novice Hikers By Lee Gorman Just started hiking last year and needed a simple-to-read trail book. This book is perfect. I highly recommend it for the novice to well-traveled hiker on Long Island. 4 of 4 people found the following review helpful. hikes great, descriptions very difficult to follow By Otto A. Nielsen Love hiking on Long Island. This small book covers a few very good hikes... BUT... In many places the directions is simply wrong. When the book says turn right,... you should have been driving to the left. The descriptions how to follow the trails is very very difficult and you will get lost many times (we did) and we are experienced hikers.. So.. Caution when you purchase this book. if you dont mind doing some figuring out on your own and asking a lot of local folks about directions, this book has some very interesting hikes but some very bad directions... Hugs Otto

Best Easy Day Hikes Long Island includes concise descriptions of the best short hikes in the area, with detailed maps of the routes. The 20 hikes in this guide are generally short, easy to follow, and guaranteed to please.
