**Ron Adkison : Best Easy Day Hikes Northern Sierra (Best Easy Day Hikes Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Easy Day Hikes Northern Sierra (Best Easy Day Hikes Series):

1 of 1 people found the following review helpful. Good and easy trail guide  
By Isaac Ohe  
The book provides enough description to find the trail-head and navigate the trail, but not too much. Using the book, I enjoyed a few days of hiking in the Lakes region. My only complaint was that the book did not provide an overall map of Northern California with the trail locations. The Southern CA edition, has such a map.

Twenty hikes in California.

From the Back Cover  
The vastness of California's Northern Sierra wild areas provides a network of remarkable trails for backcountry backpackers and day hikers alike. Just north of Yosemite National Park, you'll find trails that lead to tumbling waterfalls, emerald lakes, and stunning panoramic views. Best Easy Day Hikes Northern Sierra will guide you through 20 of the best and easiest day hikes around Frazier Falls, Powell Lake, and St. Marys Pass. Best Easy Day Hikes Northern Sierra ranks the author's favorite hikes from easiest to hardest, helping you choose the perfect trail. It includes short descriptions, easy-to-follow maps, and invaluable information for planning your trip. All of the hikes in Best Easy Day Hikes Northern Sierra are fairly short and physically undemanding. Most hikers agree that the hikes described here are among the best short day hikes north of Yosemite.
