**Stewart M. Green : Best Easy Day Hikes Phoenix, 2nd (Best Easy Day Hikes Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best Easy Day Hikes Phoenix, 2nd (Best Easy Day Hikes Series):

0 of 0 people found the following review helpful. Delivers on its Title PromiseBy Benoit J. LheureuxSmall, nearly 'pocket' book that clearly enumerates and offers helpful maps and instructions to help you find and enjoy family-friendly hikes in and around Phoenix, AZ. Not as 'fun' as "Hiking Phoenix" by Cosmic Ray (which I also recommend, the books complement each other well) but I liked this book's "easy hike" focus (for family hikes with my young children) and the book definitely delivers the goods per its title.0 of 0 people found the following review helpful. Five StarsBy wccsteveGood product. Speedy delivery.3 of 5 people found the following review helpful. Good basicBy SShapiroThis is a great book for the beginning hiker. I was interested in taking up this sport to help with weight loss and this helps to direct me to good hiking locations.So far all the hikes I've done are within my ability, so I think this is correct in being only easy hikes.

Hikes varying from half-hour strolls to full-day adventures, this guidebook is for everyone, including families.

From the Back CoverBest Easy Day Hikes Phoenix features concise descriptions and easy-to-follow maps of twenty-eight easily manageable hikes through some of the most breathtaking scenery in the Valley of the Sun -from Piestewa Peak (formerly Squaw Peak), which dominates Phoenix's northern skyline, to McDowell Mountain and Lost Dutchman State Park.
