Bill Schneider : Best Easy Day Hikes Yellowstone National Park (Best Easy Day Hikes Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Easy Day Hikes Yellowstone

National Park (Best Easy Day Hikes Series):

8 of 8 people found the following review helpful. Gotta love the Falcon Guides!By C. BaumanI became a big fan of the Falcon Guides when I purchased their book for hiking in Glacier National Park. Now I'm planning to revisit Yellowstone, this time staying long enough to actually do some hiking and exploring! So of course the first thing I did was go to .com and order this book and Hiking Yellowstone National Park. If the Yellowstone versions of these books are anything like the Glacier versions, I will certainly get my money's worth. The Best Easy Day Hikes books are divided up by area of the park, so once you decide what part of the park you are going to visit or be in on a specific day, you can flip right there and pick a trail or two. Each trail in the book gives easy-to-follow instructions on how to find the trailhead, the total distance of the hike, and a general idea of how long to expect the hike to take. They also typically describe the terrain and difficulty, and give a lot of other useful information particular to that particular trail (for example, flora or fauna, switchbacks, wildlife you are likely to encounter, trails that are extremely popular and therefore likely to be crowded).

3 of 3 people found the following review helpful. Not what I expectedBy CocozelleI had hoped for more. More hikes and more details. Specifically, I had hoped for some of the off-the-beaten path hikes, like the Narrow Gauge Terrage trail by Mammoth Hot Springs, or the Solfatara Creek Trail to Amphitheater Springs near Norris.

0 of 0 people found the following review helpful. Four StarsBy kittykat23A little small and small on the information given. however...will prove helpful in our summer travels.

Yellowstone National Park is one of the great outdoor destinations on the planet, with spectacular vistas, intriguing geology, and abundant and varied wildlife. This updated and revised edition, published in a convenient, pocket-size format, describes 30 of the best day hikes in the park.

From the Back CoverBest Easy Day Hikes Yellowstone National Park includes descriptions and detailed maps for thirty easy-to-follow trails that lead to some of the most scenic places in America's first and most famous national park. Experience Old Faithful and the Upper Geyser Basin, take a dip in the Boiling River, or trek along the rim of the Grand Canyon of the Yellowstone.
