Great bookBy cassiopeiaReally nice layout, with directions to get to each trailhead, what to expect during the hike (distances, landmarks, and where other trails meet up), as well as a trail map and concise summary.1 of 1 people found the following review helpful. Good info, too large to pack inBy CJBook is well done, unfortunately not able to carry on hikes. Suppose could take a pic then hope to connect. Great

info, I need a smaller book to carry. 1 of 1 people found the following review helpful. Perfect for your hiking excursions in Colorado Springs/Pikes Peak area By Michael Berkowitz Very useful if you're hiking in the Pikes Peak/Colorado Springs Area. Descriptions were on point and helpful.

Its not necessary to travel far from home for a great hike. With these information-packed guides in hand, readers have everything they need for the adventure they seek, from an easy nature walk to a multiday backpack. Each hike includes everything about the trail: location, length, hiking time, level of difficulty, and if dogs can come along. Other features include: Trail finder chart that categorizes each hike (e.g., for particular attractions such as waterfalls and if its suitable for families with kids) Full-color photos throughout Information on the areas history, geology, flora, and fauna Full-color maps of each trail
