**Let's Go Inc. : Let's Go Map Guide NYC (4th Ed)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Let's Go Map Guide NYC (4th Ed):

1 of 1 people found the following review helpful. Best map series ever  
By LBI just moved close to NYC and often go into the cities during the weekends. I was given an older edition of this map from 1995 from someone I know who used to live in the city. Out of all the maps I bought to find my way around, this one was BY FAR the most useful and durable and was so easy to use to pull out of my purse. Its everything you need all in one and you don't have to spend time flipping through a booklet to find what you're looking for  
I lost that older map during one of my expeditions and I was devastated. But now I have the newer one and I am happy!

By eulalia brooks  
I purchased this map based on the London version ... and it didn't disappoint. If you need a solid lay of the land (hotels, emergency numbers, restaurants, et al) with a transportation and street map this is a great buy. However, if you are thinking about using the map for driving .... not a good look (as mentioned the map will omit smaller streets) or if you want to go to the outer arrondissements (neighborhoods) then you will want a more robust guide book.

By Ratilal Patel  
A good little handy booklet. It is a must have, with visit to NY. very helpfool and lots of good tips. nice size and texture.

Conveniently sized for a pocket, briefcase, or backpack, the Let's Go Map Guides feature a guide wrapped in a map. The eleven sturdy four-color panels of easy-to-read maps detail downtown area, vicinity, and transportation routes. Thirty-two pages of text provide essential information on affordable restaurants, hotels, entertainment, sights, and museums, including descriptions, addresses, phone numbers, and prices. An essential tool for tourists and residents alike.
