Let's Go Inc. : Let's Go New York City 16th Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Let's Go New York City 16th Edition:

Recommend for city dwellers By pd When I moved to NYC in '93, a friend got me an older edition of this and it was worn to pieces 5 years later when I moved away. I get this for all friends who move there. I'm sure there are other books that serve the same purpose but I'm a big fan of the Lets Go series for all my travels (save for Peru where it is inferior to the Lonely Planet guide).

Packed with travel information, including more listings, deals, and insider tips:
