Perseus : Let's Go Paris: The Student Travel Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Let's Go Paris: The Student Travel Guide:

0 of 0 people found the following review helpful. Travel suggestionsBy Nancy BainterAs always, the "Let's go" series is good but for some reason this one needssome visit to rewrite this Paris guide.4 of 6 people found the following review helpful. Don't go without this one.By Adele V.I've never been misled by the info contained in this book. The

restaurant reviews are "spot-on". This is an essential book for the budget-minded traveler. I wouldn't go to Paris without it. 13 of 18 people found the following review helpful. Trustfund babies to Paris By Scott Underbrink I am an old Let's Go fan. I took my first copy of Let's Go Europe with me backpacking through France in the late 70's, so perhaps the writers of Let's Go Paris have passed me by. That said, I can't believe the contrast between the book published in 2010 and those of just 10 years ago when the mission was to reveal how to do expensive Europe on a student's (and now teacher's) budget. This is not true for the entire Let's Go series. I used Let's Go Spain last year which really did offer help on budget travel. The problem is with the suggestions on eating out. Perhaps naming a few grocery stores is enough to appease the unwashed masses of us who do not want to spend more than 40 dollars on a meal. I know Paris and I know London well enough to find some really remarkable restaurants that don't break the budget. Many of them are found in Let's Go Paris and Let's Go London guides from before 2004 or so. I would suggest that the editors of Let's Go examine their mission and decide if it really is a budget traveler's guide or notes for kids on a splurge.

Welcome to Paris Lets Go style. The student researchers have roamed the streets of the City of Lights to bring travelers fresh, exciting coverage from their penniless student pockets to yours. Need an affordable place to sleep? Dont forget your sleep sack! Hungry? Try a prix fixe served in complete darkness. And on those rainy days, Let's Go have travelers wandering Monets hidden collection before they can say merveilleux. Pack your bags, perfect your accent, and grab Lets Go Paris it will be an unforgettable experience.
