Alaska is a unique place and provides more options and diversity than almost any other US destination. The Alaska

Marine Highway System (AMHS) transports passengers and vehicles throughout Alaska. In this fun little puzzle book you'll not only entertain yourself with easy to medium Sudoku logic puzzles (no math involved!) but you'll also learn lots about the Alaska Marine Highway System, its vessels and the communities it serves. This is a great gift for anyone who wants a reminder of their great adventure sailing the waters of Alaska.
