The detail of every map, every Scripture verse, even the travel tips is impressive and so helpful. You could use this book just for a map study if you wanted to! Clearly and lovingly thought out, I can't think of a single thing this book needs to make your trip to Israel as meaningful as it could possibly be.0 of

That would be a good addition I liked the 40 day pre-study too0 of 0 people found the following review helpful. Great Israel travel informationBy TCBHelped me get very prepared for my trip. Very informative and relevant. Must have before traveling.

This guide is useful whether you are traveling to Israel with a group or studying about Israel in your home. It is filled with practical information that will enhance your tour experience and deepen your personal knowledge of the Land of the Bible and Bible times. It is designed to help both young and mature Christ-followers to grow in their knowledge of the Scriptures. But it can be used by anyone interested in knowing more about Israel, Christ-follower or not. There are a variety of maps and personal photos in this guide. Many of the maps I created with Accordance Software, which will be consistent throughout the guide. The maps and photos will help you to visualize the topic or land area you are reading about. There is a list of the major sites in Israel, Jordan, and Egypt in alphabetical order. There is also a Quick Bible Reference Guide to assist you in finding more Scriptures about various sites in the Holy Land. Many people who travel to Israel wonder about communicating with the locals on their trip. This is a problem that you will hardly ever experience on a tour. However, to get a feel for the language, there is a section of important words, phrases, and prayers that will be helpful on your trip. I have included a section on terminology--a glossary of common words, names, and events found in the Bible and in history. There are biographies of many important historical and biblical characters. Learning about them in advance will enhance your time in Israel. They will 'come alive' as you see them in the context of their time. Finally, to organize the material, I have divided this guide into three sections: Section I: Getting Ready for the Trip Section II: Getting Acquainted with the Holy Land Section III: Additional Reference Material. I have told the many guests on my tours that with just a ten-day trip to the Holy Land, they will know as much or more Bible History and Geography than most first year Bible College students. I believe this to be true. When you can put the events, places, and characters of the Bible in their context, it really comes alive. You will never read your Bible the same again! Happy traveling, everyone! Author Bio: Pastor Rick was born in Arizona and raised in Southern California.
