**Lisa Halvorsen : Letters Home From Our National Parks - Yellowstone** before purchasing it in order to gage whether or not it would be worth my time, and all praised Letters Home From Our National Parks - Yellowstone:

Each book describes the physical features, vital statistics, and history of our nation's most prized natural lands. Written as a letter sent home by a young person, each book weaves vital facts and statistics into a first-person text augmented by beautiful "captioned snapshots" of the trip's highlights. Letters Home From books are a unique and engaging way to stimulate interest in travel, U.S. history, geography, wildlife, conservation, and environment. Young readers and families will also love to use these books for planning great trips! Also included in each title are: Glossary For More Information Index
