As far as LC photo books that we own, I rank them:GOOD : Lewis And Clark Trail The Photo Journal by George ThomasBETTER: Lewis Clark Voyage of Discovery by National Geographic Books/ Stephen AmbroseBEST : The Lewis Clark Trail by Richard MackWhat I like about this book is the exciting text (from Ambrose's Undaunted Courage) and the glorious photographs of scenery and artifacts. Beautiful hardcover book.0 of 0 people found the following review helpful. Out of Print LIMITED BICENTENNIAL EDITION!By MovieGuyAn absolute must for any American History or Travel Book Reader. This is a great Book.. full of beautiful high quality photos. If you can find it: Buy It! Great Product frtom Eddie Bauer!6 of 12 people found the following review helpful. Nice addition to my library.By polly_aldrich@email.msn.comI've always been a Lewis Clark buff as our land is on the trail they took in Idaho. But was really surprised when I say the only picture of Weippe Prairie, Idaho was taken of my land with the fallen tree. Could not believe my eyes.
