interesting but not what I expected. ...By JRCThis book is interesting but not what I expected. I thought this would be actual pages from the journal reproduced with some interjections. However, it is more the authors speaking and small excerpts from the journal. It makes it a bit disjointed and harder to follow than expected.It's decent but not what I thought from the description.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.
