extended family...even other towns near Gatlinburg. What information the book did contain related to Gatlinbug could have been obtained from any tourist article or a brief visit to the area. I had expected more of a "behind the scenes" experience.1 of 1 people found the following review helpful. Zoder's book and start having fun.By Lee West MellorI am a Gatlinburg local and the enthusiasm and wit of Life in the Smoky Mountains made me appreciate my community all over again. I can't wait for the next visit of our grandchildren to get out Mrs. Zoder's book and start having fun.1 of 1 people found the following review helpful. ...
