It tells about each lighthouse; who to call, when it is open, how to drive to get there, everything! Every Granddmother should buy this book for their grandchildren, and then take them to one of the lighthouses to explore their wonderment! 0 of 0 people found the

following review helpful. Keepsake book packed with lighthouse information and photosBy retired teacherYes, this is a keepsake. Great book to read before visiting the CA lighthouses and to look through years later. It is packed with information, and the photos are taken from vantage points we sometimes could not access due to location and/or weather.0 of 0 people found the following review helpful. This was a gift and the family I gave it ...By Earl WelshThis was a gift and the family I gave it to was excited to get it and intend to visit as many lighthouses as possible.

With more than thirty-five lighthouses still standing, California is one of the most lighthouse-rich states in the country. This stunningly illustrated handbook profiles them all and offers complete information for travelers.

From the Back CoverA Travel Guide and Souvenir in One"Another fine book from America's most popular lighthouse authors. Through the pages of this book, Bruce Roberts and Ray Jones guide you to our historic lighthouses, illuminating the reasons why lighthouses and their history are a vital link to our past that must be saved for future generations."Timothy Harrison, president, American Lighthouse Foundation Museum of Lighthouse HistoryA winning combination of practical travel information, stunning color photographs, and rich maritime history makes Lighthouses of California your essential guide to maritime beacons in the Golden State. From Old Point Loma Light near San Diego to St. George Reef Light near Crescent City, the more than thirty-five lights included here are presented in geographical order, making it easy for you to move from your armchair to the driver's seat and back again. Take this handy little guide with you on your travels, and keep it as a picture-perfect souvenir of your trip to coastal California. Inside you'll find:"detailed descriptions of each lighthouse"complete travel information, including driving directions and GPS coordinates"historical background notes"quick summaries of key information, such as date established, height of tower, and type of lens"more than thirty beautiful full-color photographs"a glossary of terms and important figures in lighthouse history"helpful icons indicating scenic quality, historic interest, and visitor accessibility and friendliness"tabdescriptions and photos of lost lighthouses
