Lauren Pancurak Yeats : Linden, New Jersey (Images of America (Arcadia Publishing)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Linden, New Jersey (Images of America (Arcadia Publishing)):

0 of 0 people found the following review helpful. Five StarsBy SaraGraceGreat history amazing photos! Very interesting read and good visuals .1 of 1 people found the following review helpful. Linden, New Jersey Images of America SeriesBy J. BialyGreat Service through .com....as were all my other purchases through them.This book,

Linden, New Jersey.... arrived in a few days.....It didn't have exactly what I was looking for, but it did bring back many memories of Linden. Even today, this city is doing great! A real mix of cultures...that blended and still blend to creat a good place to live.0 of 0 people found the following review helpful. HappyBy steve dodgeVery satisfied with this item, exactly as described.

This volume of Linden New Jersey contains an interesting array of images from the past 140 years, including pictures of some of the first settlers of the township to images of the parades that capture the changing facades of the downtown areas of the borough and city. Featured are some of the early industries that made Linden their home, a representation of some houses of worship, and the Linden schools through the years. In 1861, Linden Township was formed. It was composed mainly of Rahway, but included part of Elizabeth and a small piece of Union Township. In addition to present-day Linden, the city included what is now Roselle, Winfield Park, and a portion of Cranford.The borough of Linden emerged from the center of the township as an island municipality in 1882. The two communities consolidated on April 3, 1924, and officially became a city on January 1, 1925. As the twenty-first century approaches, so does the 75th anniversary of the city of Linden.
