**Lone Star Literary Life : Literary Texas: A Guide to the State's Bookish Destinations** before purchasing it in order to gage whether or not it would be worth my time, and all praised Literary Texas: A Guide to the State's Bookish Destinations:

1 of 1 people found the following review helpful. Unique guide for bookish TexansBy Hall WaysHandy little guide

when traveling around Texas and you want to know the best bookish spots. 1 of 1 people found the following review helpful. A Texas Companion By Customer One of a kind, every visitor's center, state park, and bookstore in the Southwest should carry this. As a Texas, it'll be my companion for weekend get-away ideas.

Most of the readers and writers we know, far from being the sort to only haunt the recesses of their town's library or curl up on the couch when the sun's shining, like to get out and visit the places they've read about. Or to learn more about the authors and settings that inspire them. Lone Star Literary Life polled our staff about the places in Texas that fueled their bookish imaginations. What literary destinations called to them, to get out the map, get in the car, and go? Was it a whim to attend a festival, a desire to follow in a favorite author's footsteps, an urge to browse the shelves of an unusual bookshop, a hunt for a novel's real-life inspiration? We gathered our top list of alluring locales from the piney woods to the prairies, in big cities and small, from the coast to the mountains. We ranked and researched and ranked some more. We hope that Lone Star Literary Life readers will find something here you didn't know before and even if you have to just toss all ten names in a hat and take turns choosing the next goal for a road trip, you'll enjoy what you find when you get there. Follow us weekly at [LoneStarLiterary.com](http://LoneStarLiterary.com), Texas only statewide coverage of book news, reviews, events, and author interviews.

About the Author Lone Star Literary Life is the weekly online newspaper for all things bookish in Texas, from reviews and interviews to industry news to the most comprehensive weekly calendar of literary events statewide. We invite you to subscribe (for free), read (we publish weekly, on Sunday afternoons), and share. Our mix of editorial and advertising content is designed to inform, educate, and inspire and to recognize the great literary traditions and contributions of our state.
