An "OK" guide to NY... By Customer I was anticipating a bit more from this book. I was hoping for more details, but it offers very brief details, I suppose because it is tiny, and compact. I can find more info via Google Search. For first-timers to NYC, this will probably be fine. However, if you are looking for more inside info, this book falls short.

2017 Edition. Divided by area, this sleek guidebook covers Manhattan landmarks, museums, and other highlights, plus places to eat, drink, shop, and stay, with extra coverage of "Top Picks" attractions. Color-coded, numbered entries in the text are keyed to full-color neighborhood maps in each chapter. A city map inside front cover shows you where

each neighborhood is located. 9 fold-out maps, including 8 Manhattan neighborhood maps and an MTA New York City Subway map. "Top Picks" direct you to not-to-be-missed attractions. Full-color spot illustrations throughout liven the text. "Notes" pages let you record your own discoveries. 4-1/4 inches wide by 5-3/4 inches high. Elastic band attached to back cover keeps your place or keeps book closed. Concealed wire-o hardcover binding; book lies flat for ease of use. "Black Book" travel guide format doesn't look "touristy." Author Ben Gibberd is a freelance writer and editor who lives in New York City.
