Liu Wen : Liu Wen's Tokyo Disney Resort Family Guidebook 2016 before purchasing it in order to gage whether or not it would be worth my time, and all praised Liu Wen's Tokyo Disney Resort Family Guidebook 2016:

0 of 0 people found the following review helpful. Duplicate Guidebook to Tokyo Disney - Seven Identical Books with Different TitlesBy Erin DThis was not available on the Kindle subscription, but I reviewed the internal pages and discovered it is the exact same text as six other Tokyo Disney Guidebooks released with different titles and "different" authors. It's incredibly disheartening to see someone passing off seven identical books disguised as totally separate books by various authors. Here is the review I gave to the other six books I purchased on Kindle, along with the screen

shots showing the identical text from the six other books. Don't waste your money -- this guide book along with five others are EXACT duplicates, all disguised as separate books with separate authors. Very deceptive and the book itself is not worth buying. There are a ton of spelling/grammatical errors, and it lacks any real helpful information past what you can find on published websites, forums, and existing guides. There are some factual errors and photos that are not even taken at Tokyo Disney (Pirates of the Caribbean being one example). All these guidebooks call themselves "Resort" guidebooks, but they fail to focus on anything beyond the parks and not comprehensive coverage at that. Sad to see supposed author reviews are all duplicated just with the various names. I've uploaded screen shots to show the identical description of one attraction across all books. The other exact duplicate books are: Aoki's Guide to Tokyo Disney Resort 2016 (Aoki Tanaka) Elijah's Tokyo Disney Resort 2016 (Elijah Sky) All-Access Guide to Tokyo Disney Resort 2016 (David Rey) Jean-Paul's Tokyo Disney Resort 2016 (Jean Paul Pierre) American Guidebook's Tokyo Disney Resort 2016 (Elaine Francis) The Unauthorized Guide to Tokyo Disney Resort 2016 (Lisa Banks)
