Casey Mahaney, Astrid Witte : Live Aboard Dive Travel; The Essential Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Live Aboard Dive Travel; The Essential Guide:

3 of 3 people found the following review helpful. A good tool By A Customer I bought this book a few weeks before I went on my first live-aboard trip, and what a tremendous help. The book reminded me of all the little details I would have forgotten otherwise. I actually physically used the checklists provided! Lots of good tips on where to go,

choosing a live-aboard, tipping, meals and tons more.

A guide to give divers a clear, realistic overview of the live-aboard industry. Full of information every diver should know before venturing off on diving vacations. The authors have a combined 20 years in the dive industry, including many years on live-aboard yachts as captain, cook, photo pro, instructor, engineer, and tour leader. This book will help recreational sport divers with their live-aboard vacations.
