Clyde Butcher : Living Waters: Aquatic Preserves of Florida before purchasing it in order to gauge whether or not it would be worth my time, and all praised Living Waters: Aquatic Preserves of Florida:

0 of 0 people found the following review helpful. beautiful photography By Donnajunebug Mr. Butcher is a wonderful artist! The way he captures the beauty of the aquatic preserves is amazing. It was advertised as a signed copy and it was but it was to Bob from Clyde! It was a gift to a friend and she found it amusing!!! 0 of 0 people found the following review helpful. Butcher is Amazing By KJ in SD Not supremely high quality reproductions here but you have to like any books on Butcher. His work really should be in some extra large quality paper/limited edition publication but what can you do? I know -- get anything that's out there on him. 0 of 0 people found the following review helpful. Five Stars By patricia a.. knox Beautiful Book and delivery was unexpectedly fast.

Within these pages, Clyde Butcher celebrates Florida's aquatic preserves, capturing magical moments through his breathtaking photographs. His interest and respect for Florida's natural environment is genuine. Mr. Butcher's photographs will inspire you and touch your curiosity and concern for the wonders of Florida's aquatic preserves and our living waters. Water runs through, around, and under Florida, creating its varied landscapes and biological diversity. Mr. Butcher's photographs remind us that this natural heritage is entrusted to us to maintain for future generations to enjoy and appreciate. from the foreword by David B. Struhs, Florida Department of Environmental Protection

"Florida's natural beauty is often most evident in its aquatic preserves. They are Florida's natural watery Edens - home to freshwater springs, seagrass meadows, and mangrove forests that provide food and habitat. Florida's aquatic preserves truly are living waters. Within these pages, Clyde Butcher celebrates Florida's aquatic preserves, capturing

magical moments through his breathtaking photographs. His interest and respect for Florida's natural environment is genuine. Mr. Butcher's photographs will inspire you and touch your curiosity and concern for the wonders of Florida's aquatic preserves - our living waters. Water runs through, around, and under Florida, creating its varied landscapes and biological diversity. Mr. Butcher's photographs remind us that this natural heritage is entrusted to us to maintain for future generations to enjoy and appreciate." - from the foreword by David B. Struhs, Florida Department of Environmental Protection"About the AuthorClyde Butcher has recently been honored by the State of Florida with the highest award that can be given to a private citizen, the Artists Hall of Fame Award, for his photographic excellence. He has also received the Conservation Colleague Award from The Nature Conservancy, and the Sierra Clubs Ansel Adams Conservation Award, given for excellence in photography and contributions to the public awareness of the environment. He was also chosen Person of the Week on the ABC Peter Jennings Evening News program, and has received the Heartland Community Service Award from the State of Florida.
