**George Oxford Miller : Lone Star Travel Guide to Texas Parks and Campgrounds (Lone Star Travel Guide to Texas Parks Campgrounds)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lone Star Travel Guide to Texas Parks and Campgrounds (Lone Star Travel Guide to Texas Parks Campgrounds):

0 of 0 people found the following review helpful. A guide for the Texan R Ver. No guesswork here...By smoothbore00Lone Star Travel Guide To Texas Parks And Campgrounds... This item was purchased for my kids that just got a new R.V...Received one day before they left for a 4 day trial run. When they got home i asked how the book compared to the park they went to. Was glad to hear that the park was as the book described. Both were glad for the present and can pick out their next trip with prior knowledge as to what its going to be like. Their happy, I'm happy. As always comes across again, good item great price, and FREE shipping if you join prime, which is another great item offers.. Smoothbore00.1 of 1 people found the following review helpful. HelpfulBy GLFThis book has little difference than other campground books and websites I've viewed. Every campground has a short write-up that doesn't really get into too much detail about it. Nor does it have any photos of the capmground. I had hoped for more but, It does list the more accessable campgrounds. It doesn't list all in the state which was a slight disappointment. The book is helpful though but you can get about the same thing from Good Sam or Goodall.0 of 0 people found the following review helpful. Four StarsBy Jim BaileyIt was as I expected.

This up-to-date guidebook is just the ticket for campers, hikers, mountain bikers, horseback riders, birdwatchers, nature photographers, and folks who just like to enjoy the outdoors. It offers all the details to every state and national park, recreation area, national forest, and historical park in Texas. Maps identify specific campsites within larger parks, and "at a glance" charts provide a quick and easy way to determine the extent of amenities such as showers, flush toilets, and electricity. The unique features of each park or campground are described, as well as the recreation available, be it boating or bird watching. Whether it's for a Saturday getaway or a two-week vacation, this handy book is a great guide to outdoor fun in Texas.

About the AuthorGeorge Oxford Miller is an environmental photojournalist whose photographs and articles have appeared in Sierra Magazine, Wildlife Conservation, Texas Highways and more. Miller is the author of several books, including Landscaping with Native Plants of Texas, A Field Guide to Wildlife of Texas and the Southwest, and The Ozarks: The People, the Mountains, the Magic. He lives in Albuquerque, New Mexico.
