Map is great, but it tears easily when it is used ...By Kathleen WeaverMap is great, but it tears easily when it is used a number of times. It would be a better purchase if it were laminated.0 of 0 people found the following review helpful. Easy to read and useBy DJI haven't been to Boston in years, my husband has never been there. This map was perfect to get around the city with, and we were able to map out our plans using this before we left home.
