Planet user for many years and been very satisfied. When I went to buy a book for Australia, I was very confused by all the titles and couldn't tell the difference or distinguish which one would meet my needs. I purchased the wrong book. It has a little about many places but didn't go deep enough in a particular area for my needs. 0 of 0 people found the following review helpful. Five Stars By doris s henderson Good coverage of North and South... 0 of 1 people found the following review helpful. This book is awesome, made me feel like I was already there By calavera Tie Me Kangaroo Down Sport! Tie Me Kangaroo Down Mate!! This book is awesome, made me feel like I was already there! And I bought a 12pk of Foster's Beer right away after I was done cuz it made me thirsty. Put another shrimp on the barby mate
