Australia's Great Barrier Reef includes the world's largest marine park and encompasses one of the most extensive reef systems on the planet. This guide opens up the magic of the reef, its car-sized cod, whale migrations, the shipwrecks and the spectacular coral itself. Excellent visibility, shallow waters and an abundance of marine life make for exciting diving and snorkeling for all. In This Guide: Detailed dive information to 50 sites, from Lady Elliot Island to The Torres Strait. Full-color photos throughout. Easy-to-read maps of dive regions. Guide to marine life. Travel logistics and topside attractions.

Lonely Planet guidebooks are, quite simply, like no others.' --New York Times
