Wendy Yanagihara, Jennifer Denniston : Lonely Planet Grand Canyon National Park (National Parks) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Grand Canyon National Park (National Parks):

0 of 0 people found the following review helpful. Handy guide By ntf Used this guide while visiting the North Rim in 2013. Easy to read with lots of good information in the area. 1 of 2 people found the following review helpful. Good

for a used book By TLB Got it on time, worth the price I paid and I can enjoy the book. With that kind of books try to look more carefully for the year of publication. 9 of 9 people found the following review helpful. Forty hikes for all levels of difficulty, ranger programs, mule trips, and useful tips for traveling with children and pets By Midwest Book Review The primary and principle purpose of a travel guide is to assist the traveler to have the most successful trip possible. When visiting the Grand Canyon, one of America's true scenic wonders, the Lonely Planet edition of the "Grand Canyon National Park" travel guide offers detailed itineraries for exploring the South and North canyon rims with seventeen specific itineraries (plus side trips to Las Vegas, Route 66, Sedona, Flagstaff, and Skywalk!). Enhanced with forty hikes for all levels of difficulty, ranger programs, mule trips, and useful tips for traveling with children and pets; and sound, practical advice for adventure experiences ranging from Colorado river rafting, to horseback riding, to biking, to helicopter rides, and so much more, the "Grand Canyon National Park" is very strongly recommended guide for novice visitors and experienced travelers alike.

Mother Nature wasn't messing around when she created the Grand Canyon, slicing through Arizona with 277 miles of red rock spires, stomach-churning drops and wide open spaces. Whether you're an avid hiker, geology nut or sunset seeker, maximize your trip with this top-selling guide to the USA's most iconic national park. Detailed Itineraries - explore the South and North Rims with 17 great itineraries, plus Las Vegas, Route 66, Sedona, Flagstaff and Skywalk! Best Hiking Routes - more than 40 hikes for all levels, including rim-to-rim, waterfalls and remote overlooks, plus loads of topographic maps Family Friendly Options - 'star parties,' mule trips, ranger programs and dozens of firsthand tips in our special Kids Pets chapter Adventure Ideas - covers rafting on the Colorado River, hiking, biking, horseback riding, skiing, swimming, fishing, helicopter rides, volunteering and more more With 700 hours of in-park research and 130 miles of trails hiked, our authors offer sound advice for visitors

...it would be hard to better this series of Lonely Planet National Park guides.' -- Suite101.com, March 2008 From the Publisher Who We Are At Lonely Planet, we see our job as inspiring and enabling travelers to connect with the world for their own benefit and for the benefit of the world at large. What We Do * We offer travelers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages. * We are relentless in finding the special, the unique and the different for travellers wherever they are. * We update our guidebooks by visiting thousands of places in person to get the details right and tell it as it is. * We always offer the trusted filter for those who are curious, open minded and independent. * We challenge our growing community of travelers; leading debate and discussion about travel and the world. * We tell it like it is without fear or favor in service of the travelers; not clouded by any other motive. What We Believe We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.
