Michael Read, Loretta Chilcoat, David Lukas : Lonely Planet Great Smoky Mountains Shenandoah National Parks before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Great Smoky Mountains Shenandoah National Parks:

0 of 0 people found the following review helpful. Has that hip pocket traveler feelBy Janis MalinsA lot of info, great detail0 of 0 people found the following review helpful. Five StarsBy Edward A. HultenNice summary of hikes

Misty mountains, verdant forests, spring wildflowers and fiery autumn foliage - the parks of the southern Appalachians reveal spectacular displays of nature around every corner. Hike the Appalachian Trail, swim crystal-clear lakes and enjoy live bluegrass music. Our handy guide helps you discover the best of Great Smoky and Shenandoah, plus the dramatic Blue Ridge Parkway. Play Outdoors - ride horses through leafy woods, raft down rushing rivers or hang glide over soaring peaks Experience History - visit a replica of a Cherokee village, tour the log cabins of early settlers and view demonstrations of traditional mountain crafts Bring The Kids - tips on the best sights and activities for families, plus child-friendly hotels and restaurants Explore Further - sample the fudge in Gatlinburg, ride rollercoasters in Dollywood and stroll the cosmopolitan boulevards of Asheville Sleep Tight - from shady campgrounds to historic inns and luxury resorts, top lodging choices for all budgets

Best for curious and independent-minded travelers' --Wall Street Journal
