Lonely Planet, Sara Benson, Amy C Balfour, Adam Karlin, Adam Skolnick, Paul Stiles, Ryan Ver Berkmoes :
Lonely Planet Hawaii (Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Hawaii (Travel Guide):

1 of 1 people found the following review helpful. Not Completely Unhelpful By Spaceage Polymer I was in Bolivia last year and found my Lonely Planet guide indispensable. So much so that when I decided to take a trip to Hawaii, I figured I needed another Lonely Planet guide. For a variety of reasons (the primary ones being that Hawaii is less

foreign and more tourist friendly than Bolivia), I found this guide to be all around less informative than my previous experience with Lonely Planet. Though this book did add a little extra background knowledge to my visit, I probably would have done just as well without. For that reason, I say buy it to enhance your visit (if only slightly), but skip it if you're on a budget.0 of 0 people found the following review helpful. There are very good restaurant suggestions and descriptions of activities are thorough and ...By C. AlbertellyThis guide has a lot of valuable information. There are very good restaurant suggestions and descriptions of activities are thorough and mostly very accurate and helpful. However, something about the organization of the sections made it annoying to use. I like to read descriptions of things along the driving route we have chosen and it just seemed hard to locate and follow the information in this way. Since we visited four islands, I liked the fact that info on all the islands was included in one book. I found the organization of material within each island section frustrating in trying to access what I needed.2 of 2 people found the following review helpful. The information is great, as with every Lonely Planet book but I ...By CustomerThe information is great, as with every Lonely Planet book but I can't get used to a travel book in the e-format. The maps are difficult to see and you can't zoom in on them. Pleasure books are great in the e-version but I going to stick with regular paper books for travel guides from now on. It was a pain in the butt navigating it.

Lonely Planet: The world's leading travel guide publisher Lonely Planet Hawaii is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you. Learn to surf or lie in the sun on a sugary tropical beach, hike across ancient lava flows and up craggy peaks, or curve down Maui's lushest coast on the Road to Hana; all with your trusted travel companion. Get to the heart of Hawaii and begin your journey now! Inside Lonely Planet's Hawaii Travel Guide: Full-color maps and images throughout Highlights and itineraries show you the simplest way to tailor your trip to your own personal needs and interests Insider tips save you time and money, and help you get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - including hours of operation, phone numbers, websites, transit tips, and prices Honest reviews for all budgets - including eating, sleeping, sight-seeing, going out, shopping, and hidden gems that most guidebooks miss Cultural insights give you a richer and more rewarding travel experience - including history, politics, arts crafts, cuisine, landscapes, wildlife, and island customs Free, convenient pull-out sheet-map (included in print version), plus over 83 color maps Useful features - including Outdoor Activities Travel with Children, Month by Month (annual festival calendar), Scenic Itineraries Coverage of Oahu, Honolulu, Waikiki, Kailua, Hawaii the Big Island, Kailua-Kona, Hawaii Volcanoes National Park, Maui, Lahaina, Road to Hana, Lanai, Molokai, Niihau, Kauai, Na Pali Coast, and more The Perfect Choice: Lonely Planet Hawaii, our most comprehensive guide to Hawaii, is perfect for those planning to both explore the top sights and take the road less traveled. Looking for a guide focused on only one or a few islands in this destination?
