Lonely Planet, Tom Masters : Lonely Planet Maldives (Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Maldives (Travel Guide):

0 of 0 people found the following review helpful. Useful Information on Reefs By The Brit In America Not the thickest Lonely Planet guide out there, but plenty of information on Male itself and interesting information on the principal

reefs and history. I would recommend as a light weight guide to add to your collection.0 of 0 people found the following review helpful. DisappointedBy rafael f. rodriguezGood information.No photos.Some pages badly printed. Blurry. Unreadable.2 of 3 people found the following review helpful. Very informative.By CJThis book covers all the details that you really need to know and would have never thought that you should need to know!
