Jeff Campbell : Lonely Planet New York New Jersey Pennsylvania (Regional Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet New York New Jersey Pennsylvania (Regional Travel Guide):

25 of 26 people found the following review helpful. NJ and PA shouldn't be thought of as thoroughfares!By Thomas

SeymourAt first I thought there was no such complete travel book covering the states of NY, NJ and PA entirely all in one book, but now there is! A lot of people think of NJ and PA as thoroughfares between New York City and Washington, D.C., but that's probably because that's where I-95 goes through. One word to describe this book: Complete. I have been looking for years for a book that covers not just the city of New York City, but all three mid-atlantic states! This book tells you virtually everything you need to know, things to do, places to stay, advice, transportation, what to expect, and more! This book also adds a lot of emphasis on the New Jersey Shore (or if you like to say it like the locals do, "Jersey Shore" works too.) There's one important point to note when you buy this book: This book is not only for people who want to get away from New York City. Sometimes families come in from Southeastern PA and go to NJ for some time at the beach. Sometimes Southeastern Pennsylvania residents want some time at Hersheypark. In conclusion, if you desire to take a vacation around the states of NY, NJ, and/or PA and you want a complete guidebook, this is definitely a book to consider! 0 of 0 people found the following review helpful. You've to be kidding! By A Customer THIS "BOOK" WAS WRITTEN BY BUNCH OF TOTALLY CLUELESS AUSTRALIAN KIDS AND, IN ADDITION TO NOT BEING ANYWHERE NEAR AS COMPREHENSIVE AS I EXPECTED, THE LISTS OF ACCOMODATIONS AND RESTAURANTS IS CRIMINALLY INCOMPLETE! THE ROUGH GUIDE TO THE USA HAS MORE INFORMATION ON, NY, NJ, AND PA IN THE RELEVANT SECTIONS. THERE ARE INFINITELY BETTER GUIDES TO NYC AND PHILLY BUT I BOUGHT THIS GUIDE FOR UPSTATE NY, THE JERSEY SHORE, AND THE HAMPTONS. I COULD HAVE PUT TOGETHER A BETTER GUIDE THAN THIS WITH THE PROPER TIME AND FUNDING! WHAT A WASTE OF MONEY! 0 of 0 people found the following review helpful. Poor outdated product. By The Brit In America Lonely planet guides are losing their edge.

Lonely Planet knows New York, New Jersey Pennsylvania. Our 3rd edition guarantees an adventure, whether its shopping til you drop in Manhattan, wine-tasting your way around the Finger Lakes, time-warping through the small towns of Amish country, viewing Warhols in Pittsburgh, eating funnel cakes on the Jersey shore or winning big in Atlantic City. In This Guide: Extensive coverage of New York City and Philadelphia itineraries to inspire road tripping, gallery hopping, beach bumming and nature loving Practical information on getting around by car, bus, plane, antique steam train or horse-drawn buggy 69 Maps
