Ryan Ver Berkmoes : Lonely Planet Pocket Bali (Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Pocket Bali (Travel Guide):

2 of 2 people found the following review helpful. Perfect travel companion By Victor Heading out to Bali for 2 weeks, and only the 1st 3 days planned... this was absolutely a life saver. Much easier to keep this in your back pocket or your purse than other travel tools, I didn't look like an "obvious" tourist by opening up a huge map while I was trying to figure out where to go, what to do next. The small maps in the book were just enough to help me get my bearings on where I was, and where I wanted to go. Although definitely not the "sole solution" for the trip (e.g., I still needed to do research online on various travel websites back at our hotel, as you can only expect so many suggested things to

do/places to eat in a pocket travel book), it was absolutely the best purchase I made prior to us leaving on the trip. 1 of 1 people found the following review helpful. Great if you're going to Denpasar. By Jessica The book did not include much information on the area we are staying (Amed, East Bali). It was very focused on Denpasar and major cities in Bali - which would have been great except that we were hoping for more information pertaining to our trip. Nice cheat sheet for the big cities though! The book was in great quality, too. 0 of 0 people found the following review helpful. This book was great! It was full of useful information about Bali ... By Sarah This book was great! It was full of useful information about Bali and was a huge help on my recent trip there. Be aware that some of the info is outdated, like the price of the visa and the exit tax. If I were you, I would look those up online before I went.

Lonely Planet: The world's leading travel guide publisher Lonely Planet Pocket Bali Lombok is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you. Check out Lonely Planet's Bali Lombok guide. Looking for more extensive coverage? Check out Lonely Planet's Indonesia guide for a comprehensive look at all the country has to offer. Authors: Written and researched by Lonely Planet and Ryan Ver Berkmoes. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers' Choice Awards 2012 and 2013 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

About the Author Ryan Ver Berkmoes grew up in a beach town and always feels at home with a little sand lodged between his toes. He's written about beaches worldwide but still can never get over the stunningly turquoise Caribbean and its often blindingly white beaches. Yes it's a cliché, but it can also be breathtaking. As a journalist who has covered a lot of stories worldwide and seen a lot of cultures, Ryan is still surprised at the diversity of people and places within the Caribbean.
