Lonely Planet, Brandon Presser : Lonely Planet Pocket New York (Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Pocket New York (Travel Guide):

1 of 1 people found the following review helpful. Good balance between size and essential information. By Texas Reader Good compromise between convenient size and essential details. Restaurant recommendations were spot on. It would have been an improvement if there was more information and tips on navigating the NYC subway system and the PATH train system. Another area for improvement would be to highlight the attractions which would require advanced reservations and bookings for entry. The 1,2,3, and 5 day itineraries were good recommendations. Despite its shortcomings, I still recommend it as a pocket size guidebook as of November 2013. Some of the other NYC

guidebooks that were available on .com at the time that I needed a guidebook were either 1-2 years behind or too thick.0 of 0 people found the following review helpful. Nice Book!By Kelly KentThis is a very nice book filled with valuable information. I typically purchase the DK Eyewitness Travel Guides for the destination I'm going to but seen this when I did the online search and thought there might be some advantages to it as well. I did purchase both at the same time and feel they are very comparable books. I would purchase this item again.0 of 0 people found the following review helpful. Perfect Little Guide BookBy D. StoneThis little book is a real keeper! I'll be going to NYC very soon and am so glad I got this book -- great information set out in a logical way, and an easy, fun read. I'm using it to plan our time in the city and am so glad I found this little gem!

Lonely Planet: The world's leading travel guide publisher Lonely Planet Pocket New York City is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you. About the AuthorAfter earning an art history degree from Harvard University and working at the Muse du Louvre, Brandon swapped landscape canvases for the real deal and joined the glamorous ranks of eternal nomadism. Today, Brandon works as a full-time freelance writer and photographer. He's penned over 35 guidebooks to far-flung destinations across the globe, from Iceland to Thailand and many "lands" in between. Brandon's creative pursuits extend beyond the travel industry; he also devotes much of his time to developing entertainment materials for TV and the big screen. Born and raised in Canada, Brandon has lived in a variety of places around the world, including the United States, France, Japan and Thailand. In his free time he enjoys scuba diving, crossword puzzles, and TV reruns. He speaks fluent English and French, and can order food in six other languages. Feel free to drop Brandon a line and say hello!
