Handy Guide for Traveling KittensBy MeowsAtTailsThis kitten suggests this is a good guide to carry in a pocket or a purse when traveling to the DC area. It only covers the touristy/visting places, but does a nice job summarizing and offering some suggested routes for day trips. The included map is super helpful too. Though this kitty would suggest getting the full size guide for more information, having something that's easy to carry is nice if a cat is traveling light and doesn't want tl lug a book that obviously makes it
