Lonely Planet, Ryan Ver Berkmoes, Luke Waterson : Lonely Planet Puerto Rico (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Puerto Rico (Travel Guide):

0 of 0 people found the following review helpful. Lonely Planet NEVER Lets You DownBy KeekaThis is at least my 15th trip using the Lonely Planet Guide Book. They never have let me down, and the Puerto Rico guide was no exception. Great local, off the beaten path, and touristy (if that's your thing) recommendations. Wonderful day week

trips recommended complete with pictures and maps. I'll never travel anywhere again without it!1 of 1 people found the following review helpful. Its ok, but I got little use from it. Internet provided more useful informationBy michael21044Provided too much information about the unimportant and too little information about the important. I liked the Dummies books as they kept it simple and did not overwhelm you with useless information. But that is me.4 of 4 people found the following review helpful. Take this book and nothing elseBy AsmaI love Lonely Planet. All the restaurants, cafes, beaches, and tips were identical to what the locals recommended. Our native friends were surprised with how much we knew and had done in puerto rico. P.s. Go to Culebra for day!!! And stay in Ecolodge El Yunque rainforest one night. This book may seem expensive but get it so worth it

Lonely Planet: The world's leading travel guide publisher Lonely Planet Puerto Rico is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Dance till you drop in San Juan, ramble through El Yunque tropical rainforest and kick back on the pristine sands of Playa Flamenco; all with your trusted travel companion. Get to the heart of Puerto Rico and begin your journey now!
