Lonely Planet, Alison Bing, Sara Benson, John A Vlahides : Lonely Planet San Francisco (Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet San Francisco (Travel Guide):

5 of 5 people found the following review helpful. Difficult to navigate; Good content
By Customer I'm a huge lonely planet fan, I carry these things around all the time for holidays. The information in the book is good. However, I have difficulty navigating it in the Kindle form. I bought two kindle books at the same time. It's hard to get to certain places

in the book and I find myself just looking for advice on the net for things. I don't think I'll be buying these kindle additions in the future. I'll stick with the paper. I hope that helps. (this is the same review I wrote for the Canada one). I would recommend this book in the book form. Update: I stand corrected. On a Tablet it's better to navigate the book than on the computer. I'll still give it a 3 stars but if after my holiday I have found it easier to use, I'll upgrade my mark. 04/06/140 of 0 people found the following review helpful. Five Stars By Ian G For all our visitors who are internet challenged. But seriously it still has some gems. 0 of 0 people found the following review helpful. Good Sf coverage, scant Bay Area coverage By John J Covered the sights in SF well but scant coverage of the remaining Bay Area.

Lonely Planet: The world's leading travel guide publisher Lonely Planet San Francisco is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you. Loll in Golden Gate Park, stroll across the iconic Golden Gate Bridge, get spooked at Alcatraz, ride a legendary cable car, maneuver down the crookedest street in the world, or take a day trip to wine-soaked Napa Valley; all with your trusted travel companion. Get to the heart of San Francisco and begin your journey now! Inside Lonely Planet's San Francisco Travel Guide: Full-color maps and images throughout Highlights and itineraries show you the simplest way to tailor your trip to your own personal needs and interests Insider tips save you time and money, and help you get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - including hours of operation, phone numbers, websites, transit tips, and prices Honest reviews for all budgets - including eating, sleeping, sight-seeing, going out, shopping, and hidden gems that most guidebooks miss Cultural insights give you a richer and more rewarding travel experience - including history, music, art, architecture, literature, cinema, cuisine, wine, and more Free, convenient pull-out San Francisco map (included in print version), plus over 38 full-color maps Useful features - including Top Itineraries, Walking Tours, With Kids, What's New, Month by Month (annual festival calendar), and Day Trips Coverage of Golden Gate Park, Fisherman's Wharf, downtown, North Beach, Chinatown, Nob Hill, the Mission, the Haight, and the Castro, as well as Berkeley, Muir Woods, Sausalito, Napa and Sonoma Wine Country, and more The Perfect Choice: Lonely Planet San Francisco, our most comprehensive guide to San Francisco, is perfect for those planning to both explore the top sights and take the road less traveled. Looking for just the highlights of San Francisco? Check out Lonely Planet's Pocket San Francisco, a handy-sized guide focused on the can't-miss sights for a quick trip. Looking for more extensive coverage? Check out Lonely Planet's California guide for a comprehensive look at all the state has to offer, or Lonely Planet's Discover California, a photo-rich guide to the state's most popular attractions. Authors: Written and researched by Lonely Planet, Alison Bing, Sara Benson, and John A Vlahides.
