**Lonely Planet, Alan Murphy, Kate Armstrong, Lucy Corne, Mary Fitzpatrick, Michael Grosberg, Anthony Ham, Trent Holden, Kate Morgan, Richard Waters : Lonely Planet Southern Africa (Travel Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet Southern Africa (Travel Guide):

9 of 9 people found the following review helpful. Great guide for planningBy Brazil Solo TravelerGreat guide for planning your trip. I used this one to plane for an upcoming trip to Zambia, Zimbabwe, Botswana and South Africa.It has good recommendations of places (i booked my hostels using this book and crosschecking with tripadvisor).It has the same info from some country guides of Africa. I bought the one from Namibia and Botswana and the Zambia, Malawi and Mozambique. These 2 have basically the same info as this one but with a few more hotels and restaurants indications. I would recommend buying this one as your have a multi-country guide and it's not so heavy (lighter than the LP's editions of India and Thailand)14 of 14 people found the following review helpful. Good overview but lacking detailBy EPOIt would be helpful to have more specific information for each area. Because the book covers such a large region, it is more of a broad overview without going into many details about any one place.0 of 0 people found the following review helpful. great book for AfricaBy sieleeAs all Lonely Planet books are...great. Lots of info on hidden sites where you can avoid the big tourist busses. Also good for the independent traveller, especially in Africa where some areas can be sketchy. Left ours with a wildlife guide who was pleased with the well-written history and cultural tips, as well as great wildlife info. Really good whether you travel w/ a big safari group or on your own.

Lonely Planet: The world's leading travel guide publisher Lonely Planet Southern Africa is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you.
