west coast after a couple of days y saw at borders Fodors guide y bought it also and I have to says Fodors guide is a lot easier to read and to make itineraries. Also is more detailed. Maybe some people dont like the stars ratings on every spot but for me it was perfect to know where to go if we had little time.0 of 0 people found the following review helpful. Nothing exceptional,By qwertyJust regularly partially helpful travel guide. Good to have while traveling through small towns, just to make a deecision whether or not make a stop here or get to the next rest ares without wasting time.0 of 0 people found the following review helpful. Five StarsBy zxc2Great deal!!!!!!
