Lonely Planet, Amy C Balfour, Michael Benanav, Andrew Bender, Sara Benson, Alison Bing, Lisa Dunford, Bridget Gleeson, Carolyn McCarthy, Brendan Sainsbury : Lonely Planet Western USA (Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lonely Planet Western USA (Travel Guide):

0 of 0 people found the following review helpful. love lonely planet! By LuLuLizmy husband and i are planning a road

trip before we have kids/during pregnancy. I love all the details in here as well as the handy maps. we are getting more excited for this trip. I know it will come in handy during the vacation as well (our others definitely did in europe last year)3 of 3 people found the following review helpful. Very informative guidebookBy Mag MagI am always a fan of Lonely Planet. If you are going West Coast, this book is definitely a good and handy choice. If you are just going to California, you may just buy that version. That one would be more in depth.1 of 2 people found the following review helpful. My review of 'Western USA'By Pam GarfootThis is a book which does not lend itself to the e-book format, as it has no index! That means that finding anything in it becomes a total pain in the neck. I have learned a lesson, though, and that is to check other sources for the presence of an index (as the product description does not seem to provide this information - please correct me if I'm wrong though).Once you did manage to find information on the place you were interested in the information was quite useful (despite the use of overblown descriptions at times). Also I got the impression that the book was aimed at 20-something travellers rather than 50-something travellers like me, which was a pity.

Lonely Planet: The world's leading travel guide publisher Lonely Planet Western USA is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you. Watch Old Faithful blow its top at Yellowstone, take a trolley ride down the streets of San Francisco, or strut down the Las Vegas Strip; all with your trusted travel companion.
