Pableaux Johnson, Charmaine O'Brien : Lonely Planet World Food New Orleans before purchasing it in order to gage whether or not it would be worth my time, and all praised Lonely Planet World Food New Orleans:

0 of 0 people found the following review helpful. Shame the series is no longer in print!By RonThese Lonely Planet Food Guides represent excellent value and are very comprehensive as a first introduction to a foreign cuisine. Shame the series is no longer in print.3 of 3 people found the following review helpful. A Travel Guide to the Mecca of FoodiesBy Steve H. in AustinThis is the travel guide for those whose preferences include food, beverage and the social order of eating with others. No hotel listings or must sees for the ordinary tourist. Though centered in New Orleans, the book also includes valuable food resources throughout the cajun country of Southern Louisiana. Great

photos make this a nice souvenir or even a gift for the armchair tourist. It also has great maps and sense of the local vernacular. It's small size makes it easy to stash in a pocket or purse for the traveller afoot. 2 of 2 people found the following review helpful. it's all true..the the storiesBy leslie OpilkaPableaux is my cousin. As I read through my copy, I jumped to the 'Biscuit Torture', 'Keeper of the Nog', and my grandmother's quiet relishing of a homegrown tomato and a 'pinch' of salt. It was like going back in time and savoring it all over again. I'm not writing because he's my cousin, I'm writing because this book is a great read. I have purchased it for nine friends in the Chicago area. It is informative and concise as well. Great job paul...

From grits to crawfish and beignets to hurricanes, this is a definitive culinary guide to the Deep South, USA. With tantalising photography throughout and an entertaining, opinionated and contemporary style, this guide is intended to be the benchmark for the region's cuisine.

From the PublisherLonely Planets "World Food New Orleans" looks at every aspect of this food-crazy metropolis from the linen-clad tables of the old line Creole establishments to the standout neighborhood restaurants that dot the city. The book takes a look at New Orleans storied history, international influences and distinctive ingredients that contribute to the unique local cuisine. "World Food New Orleans" also looks beyond the urban borders to celebrate the famed Cajun foods of southwest Louisiana and savory southern/soul food heritage of the states northern reaches. * the essential guide to Louisianas fabled food and drink culture * a handy pocket-size reference filled with full-color photographs and easy-to-follow recipes * in-depth discussions of refined Creole dishes, bold Cajun specialties and hearty Soul food staples * a festive look at the edible celebrations surrounding Mardi Gras, JazzFest and other notable Louisiana parties * recommendations for eating (and dancing) your way through the Crescent Citys burgeoning restaurant scene
