This book guides you through the cities with some interesting facts about what you will see along the way. The cities in this volume are Birmingham, Huntsville, Mobile and Montgomery.

Alabama has towns that were built on a great bay, towns that were built on great rivers, towns that were built on historic roads. Alabama has towns that were built on shipbuilding, towns that were built on cotton, towns that were built on iron and steel, towns that were built on rockets. There is no better way to see Alabama towns than on foot. And there is no better way to appreciate what you are looking at than with a self-guided walking tour available in LOOK UP, ALABAMA! WALKING TOURS OF 4 TOWNS IN THE HEART OF DIXIE. A walking tour can be many things. Interested in heritage tourism? Looking for an educational day trip for the kids? Need a fun exercise plan?
