It's like a series of blog posts on five or so neighborhoods. A smattering of restaurant and activity recommendations with some personal comments. Not what I think of as a guidebook at all.1 of 1 people found the following review helpful. Full of tips and useful informationBy Yuqing

This is a solid purchase for anybody who plans to visit LA. A very dense collection of useful information which is very well organized, with links and easy to navigate. Highly Recommended! 1 of 1 people found the following review helpful. Simply the best compact guide to LA. By Dennis Soren We have been to LA a few times already, so we have seen some things before, but then I discovered this guide and it is simply the best that I have seen. It is usefully organized by the different communities in LA and with great tips in each of them. So even after being there a few times, we have discovered new things to do, places to visit and restaurants to eat at thanks to this great travel guide. If you're going to LA, buy this one!
