**W. C. Jameson : Lost Mines and Buried Treasures of Missouri** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lost Mines and Buried Treasures of Missouri:

0 of 0 people found the following review helpful. Great read about possible Missouri treasure By James M. Weber This is a easy read with a lot of great information about treasure all across Missouri. You will still have to do some research but it gives some good information about the state and stories to make you look at a map and do some online research. 0 of 0 people found the following review helpful. great book on missouri treasure By Charles Neighbors I

knew about some of these stories but learned of a couple near to me that I never knew of. A wonderful writer and story teller Jameson nails it. 0 of 0 people found the following review helpful. Disappointing Lack of Facts and Geocoding  
By Mark Cunningham  
This book is way too superficial much like unsubstantiated rumors that flow around the water cooler when the boss is away.

Throughout history, the state of Missouri has served as a setting for a vast array of exciting legend and lore. Within the pages of this book, W.C. Jameson presents the most complete collection of the Show Me State's tales of lost mines and buried treasures. With his gift for storytelling, Jameson relates episodes from the time of Indian occupation through early settlement, the Civil War, to the present. As a legendary professional treasure hunter, Jameson has followed the trails of many of these lost mines and buried treasures.

About the Author  
W.C. Jameson is the award-winning author of more than sixty books and 1,500 articles. He has appeared on The History Channel, The Travel Channel, The Discovery Channel, and Nightline. Jameson has served as an advisor for television and film and has written the soundtracks for two documentaries and one feature. When not writing books, he tours the country conducting writing workshops and performing his music at folk festivals, college concerts, roadhouses, and on television. He lives in Llano, Texas.
