James Kavanagh, Waterford Press : Louisiana Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Louisiana Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

0 of 0 people found the following review helpful. Good Basic Guide By Confessor Good little laminated brochure type guide. Not comprehensive by any means, but clear pictures and accurate descriptions help me and my kids identify the common birds we see in our yard, and when we are out and about. 0 of 0 people found the following review helpful. Five Stars By Janet Great description of product. Exactly what I wanted. Fast service 0 of 0 people found the following review helpful. Five Stars By Marionette W. All of the above are very useful with that one exception. MWS

Louisiana is the permanent or migratory home of 471 species of birds, including the state bird, the brown pelican. This beautifully illustrated guide highlights over 140 familiar and unique species and includes a map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and is ideal for field use by visitors and residents alike. Made in the USA.

From the Back Cover Louisiana Birds, An Introduction to Familiar Species, is a must-have, reference guide for beginners and experts alike. Whether you're on a nature hike or in your own backyard, you'll want to take along a copy of this indispensable guide. The Pocket Naturalist(tm) series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map highlighting prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. (3 1/2 X 8 1/4 folded, opens to 22 X 8 1/4, color illustrations, map) About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
